Dr. Donna Beegle's New Book and DVD For Legal Professionals Now Available!

Breaking Poverty Barriers to Equal Justice

Breaking Poverty Barriers to Equal Justice is a highly interactive training that will equip you with practical tools for improving legal services for those experiencing poverty. The training video and companion guidebook are designed to increase awareness of poverty and its profound impacts on the people you serve. Using in-depth analysis of different life experiences of poverty and how each impacts access to legal services, legal professionals will gain a foundational knowledge for addressing short, and long-term poverty obstacles to equal justice. The book provides short readings, hands-on activities, and real-world case studies to increase your ability to communicate and relate more effectively with people experiencing the impacts of poverty.

Legal professionals and law firms alike will find the full curriculum kit (10 books and the companion video training) highly beneficial for training within their practices. The Breaking Barriers To Equal Justice Curriculum Kit provides tools and activities for educating, communicating, and working more effectively with people of all ages who live in poverty.
